## СВЕТИ САВА

### Крсна слава

Наши преци били су  
многобошци.

Свако племе и сваки дом  
имало је свога бога, који  
је био веома поштован  
као заштитник. Када су  
Срби примили  
православну веру, веома  
су се тешко одрицали од  
старе традиције и обичаја.

Због тога су у замену  
узели да славе једног  
хришћанског свеца.

Обично су  
узимали за Крсну славу  
оног светитеља када су

Светим крштењем  
постали хришћани.
